Blood work and scans continue to be positive, and he has thankfully had no reaction to his daily medications. (see insert!) - Also for **Reo and Ruthanne Rood** as they weathered yet another winter and the struggles that come with aging. **Josh Wick** (serious head injury) & family. Josh is living at home and going to the Rehabilitation Center...of course battling pain as he has a lot of "pulling in his head on the side that got injured BUT it's from the bone flap fusing back together along with the stitches and pins holding it in place and nerves HEALING!" He IS gaining weight and looks great! **Charlene Hovey, Michael, Sonia & Nick Archie, Robert & Patricia Nephew, Ray & DeDe Page, Viva Phillips, Winnie Vosburg (Linda Nicastro's Mom)** as she broke her hip in your prayers as they continue to heal. Also, "our" missionaries that we give you updates; to be co-laborers in their effort to continue to share the Gospel and disciple those willing.
